BAS WORLD

BUY BRAND NEW HERE

At BAS World, you can buy brand-new trucks, tractor units and semi trailers for the best deal. Buying new doesn't have to be complicated. We've already considered the right configurations and specifications for everyday use. So you can choose, compare and move forward faster.

No long lead times, no hassle. Just vehicles that are quickly ready to work and fit your business.

Brand new at BAS World means:

- ✓ Brand new at a competitive price
- ✓ Buy today, drive tomorrow
- ✓ We take care of everything from A to Z

THE SHARPEST PRICE

Buying a new vehicle is a big decision. You want to know that your choice is right in terms of price, conditions and options. That's why we make comparing as transparent as possible.

Fully equipped for the right deal
The key specifications you need in practice, ready to work

Leasing or finance that fits your operation
Tailored to the vehicle and how you use it, so it makes financial sense

Compare brand-new vehicles at a glance
Specifications, options and prices clearly shown side by side

DIRECTLY AVAILABLE

Lead times shouldn't dictate your planning. Need to expand your fleet or replace a vehicle? You want something ready to go. Available now, so you can keep moving.

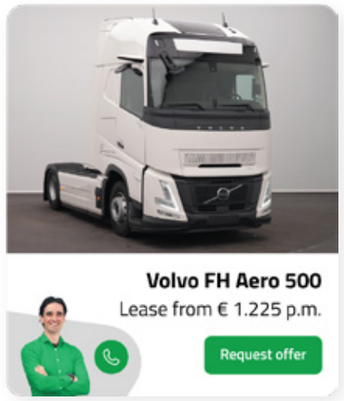
1.000+ vehicles from different brands in stock
Easy to compare, quick to choose

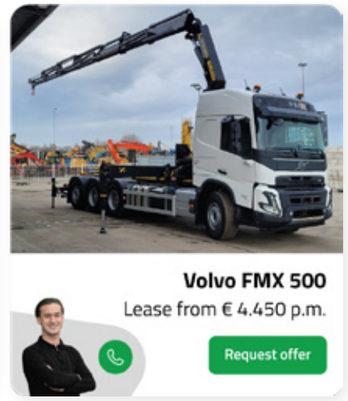
Available now, wherever you are
Ready to work sooner, without long lead times

See them for yourself in Europe's largest showroom
Prefer to see it first? Come and take a look, then decide with confidence

FLEXIBLE LEASING & FINANCE

Smart leasing starts with good advice. With BAS World Financial Services, we look at the leasing or finance option that best fits your business, how you'll use the vehicle and the vehicle you have in mind. One point of contact handles the process from application to approval. So everything can be arranged within 24 hours.





FULLY TAKEN CARE OF

When buying new, you want peace of mind. You want to know everything is taken care of, from the process itself to the moment you can start driving. That's why we handle the work and keep everything clear.

Manufacturer warranty
The reassurance you expect when investing in a new vehicle

Transport options available
Delivery arranged to fit your schedule

Professionally prepared and ready to work
Everything taken care of, ready to get to work

Discover what customisation can do
Scan the QR code and watch the video

Customisation and personalisation available
