# The best choice for your business

Finding the right truck, machine or van isn't just about the deal. It's about reliability and convenience. You want a vehicle or machine that's ready to go, with no hidden issues or unexpected costs.

At BAS World, we understand that better than anyone. With over 60 years of experience, a global network, and more than 3.500 vehicles and machines in stock, we offer more than choice. Every vehicle is thoroughly checked on 25 key points, so you know exactly what you're investing in.

And we don't stop at the sale. We offer extra services that make your purchase even more valuable:

- ▶ Extended service packages
- ▶ Worldwide delivery solutions
- ▶ Paint & additional work

We make sure your vehicle or machine fits your needs perfectly. Want to get the most out of your investment? Discover how our extra services save you time, money and hassle.

We guide thousands of buyers and sellers through smooth, secure transactions every year. These are just a few of their stories. From quick sales to confident purchases, all made simple with our expert support.

**Almobé Industriebouw - Branding on wheels**

Almobé wanted a Volvo FMX that perfectly matched their brand identity. We completely redesigned the truck - from paint to detail - in close collaboration with our workshop. The result: a custom-built eyecatcher that turns heads and reflects who they are.

**Van Aarle - Custom vans, ready to deliver**

Fresh fruit and vegetables demand precision logistics. Van Aarle required two tail-lift vans, fully branded and refrigerated. We built and delivered the perfect solution. Fast, fully in-house, and ready for the road. A solution that delivers freshness and pride.
